Dear Mr. Weisberg,

Snafu! A letter from Irma Jorge of Black Star's Photo Library informs me that they think Mr. Herron has the negative of the photo I requested, and that at the moment he is somewhere in Africa (as you also write). She is trying to contact him and will let me know when she hears from him. And I'll let you know.

I'd like to be helpful on the other matters you write about but I don't think this is the time to do it. Everything has been done by letter so far, since I rarely get into New York. But probably I could phone them ~~from~~ when I next hear from them - which will not, of course, be for some time.

yours,

Madeline (Paddock)
